Emergency Vaccination Record
Online User Guide
January 2008

For use by ASB Approved Veterinarians

Emergency Vaccination Record

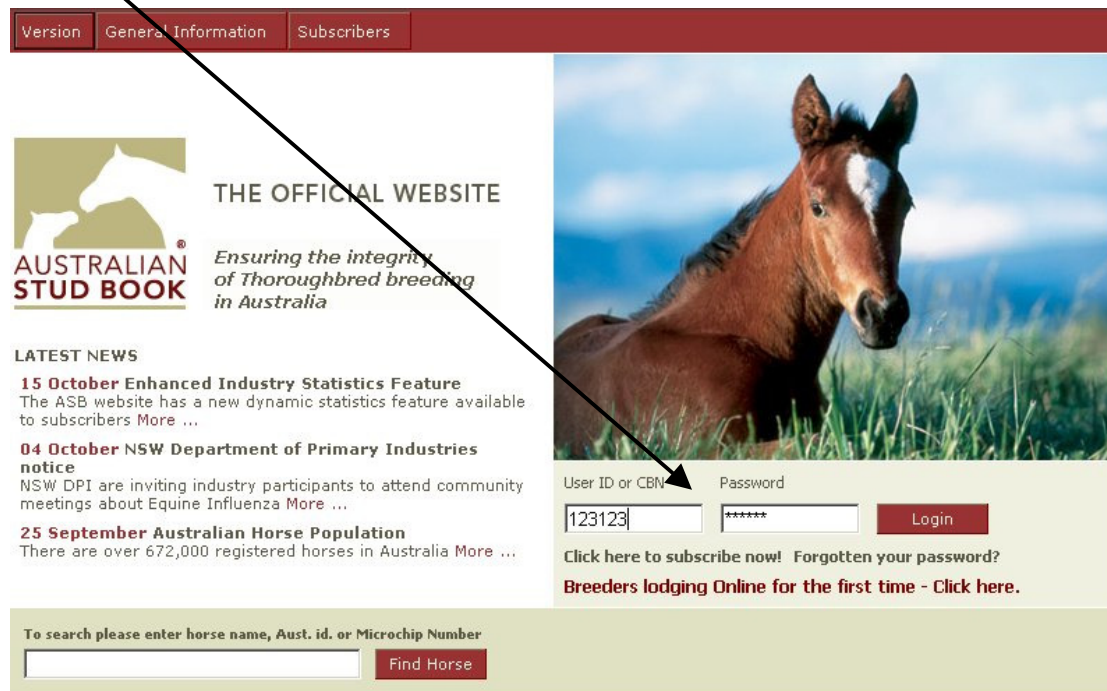

This is a guide to completing Emergency Vaccination Record details. To start the process, go to the Australian Stud Book website www.studbook.org.au

Logging In

To access the Emergency Vaccination Record program, enter your Vet ID and password issued to you by the Australian Stud Book.

If you have forgotten your User ID or password, please contact the Australian Stud Book, and we will re-send it via email immediately.

Enter your Vet ID and password on the Australian Stud Book home page, and select Login

The screenshot shows the Australian Stud Book website. At the top is a navigation bar with links: Version, General Information, and Subscribers. Below this is a large image of a brown horse with a white blaze on its face. To the left of the horse is the Australian Stud Book logo and the text 'THE OFFICIAL WEBSITE Ensuring the integrity of Thoroughbred breeding in Australia'. Below the logo is a 'LATEST NEWS' section with three items: '15 October Enhanced Industry Statistics Feature', '04 October NSW Department of Primary Industries notice', and '25 September Australian Horse Population'. To the right of the horse is a login form with fields for 'User ID or CBN' (containing '123123') and 'Password' (containing '*****'), and a 'Login' button. Below the login form are links for 'Click here to subscribe now!', 'Forgotten your password?', and 'Breeders lodging Online for the first time - Click here.' At the bottom is a search bar with the text 'To search please enter horse name, Aust. id. or Microchip Number' and a 'Find Horse' button.
